

# ESFJ

## “The Caregiver”

***ESFJ = Especially Satisfied Fulfilling Jobs***

ESFJ's focus on the outside world and assess their experiences subjectively.

They largely base their judgments on their belief system and on the effects of actions on people. ESFJ's are literal and concrete, trusting the specific, factual information gathered through their physiological senses.

ESFJ's project warmth through a genuine interest in the well-being of others. They are often skilled at bringing out the best in people, and they want to understand other points of view.
